

THNA Neighborhood Meeting

April 21, 2014, 6:30 - 7:30 PM

Mt. Sinai

Introductions: Courtney Hodgson, Glenda Graham-Watson, Callie DeBellis, Bettie Daniels, Frances Anderson, Stephen and Selena Reece, Leo, Rodney Green, and Lindsay Jordan

Trash Can Update: Shannon Wentworth has investigated options for trash receptacles in the neighborhood. She has contacted the DOT to see if we can get trash cans at all of the bus stops. They would be located on New Bern, Hargett, Martin and Lenoir.

What about signs that advertise the fines for littering?

Lindsay Jordan has also contacted Kevin with the City Community Services office to see about getting trash cans like ones seen just down the road in the College Park/St. Augustine's community.

Matching Grant for 2014-15: Three Options with voting through web and phone. Neighborhood signs and Festival tied. The new Board will determine which option to proceed with:

- Neighborhood Signs
- Festival
- Landscaping

Frances suggested doing a National Night Out

New Street Sign popping up around downtown Raleigh. They have the street name and then the neighborhood name on the right hand-side.

Board Elections: Term starts and ends in April. Stephen Reece, Jessica Shore, Glenda and Arthur Graham will continue to serve. Leo Suarez will join the board! Lindsay is available to still serve in role of treasurer if that would be helpful.

Community Officer Contact Info: Our Community Senior Officer R.A. Lee has been very responsive and is available by phone (919-996-4455 work, 919-278-6338 cell) and e-mail (Roderick.Lee@raleighnc.gov).

Meeting concluded at 7:30 pm.
